

# YOU'RE INVITED!

*Imagine if, as a community, we were able to re-imagine under-utilized spaces to reveal their potential as enjoyable public parks...*

Join members of the community as we come together over food and great company to envision the potential of the current closure at Temperance and 14th Street, or what we're calling the 'Temperance Parklet'. This potluck style dinner will allow us to utilize the space as a public amenity, to brainstorm possible upcoming projects for the space, and to launch *D'library* - the parklet's newest pop-up library!

**Where:** The temporary road closure between 14th Street, Temperance, and Lansdowne (in front of D'lish). The event will go on, rain or shine!

**Who:** Anyone and everyone interested in encouraging new and interesting uses for public spaces

**When:** Thursday, June 23, 2016

**Time:** 6:00 - 8:30pm

**What to bring:** A potluck contribution, plate, cutlery, drinking glass, a lawn chair, book donations for D'library, and ideas for the temporary parklet

**What to wear:** In honour of creating new green space, the dinner will be 'garden' themed - don your floral patterns and green fabrics to celebrate!

All are welcome
